

St. Mark Lutheran CHURCH & PRESCHOOL

St. Mark Lutheran Preschool/Mother's Day Out uses Brightwheel, a platform that significantly helps teachers manage their classrooms through an app to observe and track the children, communicate with families, and share photos and videos. Brightwheel will also manage our accounts and billing.

Brightwheel uses digital attendance and sign in, which requires all adults picking up children to have a four digit code to sign in and sign out the children. Brightwheel is able to send daily updates on food menu items, activities, diaper changes, potty training and accident reports.

To begin using Brightwheel we need to have your permission for uploading photos, videos, learning stories and artwork involving your child on the Brightwheel platform. We will be sending you the picture(s) digitally. This is a great way to share with you in real time what your children are doing when you are not here. Occasionally a photo might be used on the St. Mark Preschool Facebook page or St. Mark Lutheran Church Edmond website, as well. If you do not want your child's photo to be used on social media please check the correct box below.

Please indicate by checking the option below if we may take and send your child's picture through Brightwheel.
