A SIMPLE DEVOTION PLAN- Here at St. Mark, we follow the three-year lectionary which is used by Christians throughout the world. The lectionary may be read devotionally using the chart above. In this way, a person would hear/read the appointed readings three times during the week in a meditative way, a good approach for those who are new to reading and studying the Bible, or for those who would like to prepare by contemplating the theme for Sunday's Divine Service and Pastor's sermon.
